This 2022 Jeanneau NC 37 combines space, comfort and ease of use in a particularly attractive way. Thanks to the single-level design, the large sliding door and the very light, modern interior, the inside and outside blend seamlessly. The large windows offer a fantastic 360° view all round, and the electrically operated roof creates a wonderfully open feeling.
The open cockpit features an extended aft awning, luxurious exterior upholstery and a fold-down rear bench that easily converts into a spacious sunbed. There is also a comfortable sunbed at the bow. You can also step ashore easily via the opening in the foredeck rail. The spacious swimming platform completes the picture.
The helm station is practically laid out with a side door on the starboard side and an opening window on the port side. The fold-up passenger bench provides extra seating when required.
Inside, the NC 37 impresses with its clever use of space. Beneath the saloon on the starboard side is a multifunctional space that can serve as a large storage area or an extra sleeping berth. There are two cabins below deck, with the forward berth capable of being extended by approximately 10 cm. The bathroom features a separate shower and toilet. The removable floor covering throughout the boat is practical and easy to maintain.
The twin Volvo Penta engines, combined with the Volvo Penta Joystick Docking Mode, make manoeuvring and mooring simple and precise.
You are welcome to contact Elburg Yachting seven days a week with any questions or to schedule an appointment.
