ELBURG YACHTING[®]

international yachtbrokers

Beautiful classically lined Makma Commandeur 10.50; fully equipped with refrigerator, wine cooler, inverter, hot water on board, toilet, bow and stern thruster, teak all around and in the cockpit. She is equipped with the heavier 75 hp engine, bow and stern thruster, a 100 l diesel tank, hot water boiler, water tank, holding tank, toilet, electric cooking, fridge with freezer compartment and a special wine cooler. This very luxurious classically lined sloop with solid teak and mahogany is a very elegant appearance. She was built in 2008, but her first launch was in 2010.

Polyester hull, painted cream. Fitted all around with 12 cm cable fender with a kopleguana on the bow and a stainless steel protective strip on the bow. Solid teak with webbing on the cockpit floor and teak on the cockpit benches. In the foreship is a round seat and on the aft deck is a lovely lounge sofa at the steering position. Sun cushions for the aft deck. Solid mahogany pot lid and 8 fold-down stainless steel frogs.

A very well insulated engine box combined with the quiet running four-cylinder Yanmar makes it a very quiet boat. The cockpit tent offers seating height under the hood, and is fitted with an aft section, allowing the boat to be completely closed off. An additional aft section has also been made with seating height. A completely new rudder blade was made in 2024. The sloop has been in covered storage every winter until now.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
