Stunning Van der Heijden Elegance 1500 which was completed by Diamond Yachts - Heusden in 2005. Thanks to her beautiful shape and timeless design, the 'Bubbles' is a classy appearance on the water. No savings have been made on this yacht. In 2018, she was given a major overhaul, which translates into a full paint job (hull + superstructure) and a beautiful modern Flexiteak deck all around (foredeck, gangways and aft deck). The layout of this yacht is well thought-out and features plenty of living space. The aft deck is equipped with a luxurious cruising seat + comfortable couch and a convertible roof which allows you to steer inside or outside. The aft deck is also equipped with a bimini and can be completely closed off with an aft tent. The semi-circular staircase provides comfortable access to the fixed swimming platform with teak, swimming ladder and shower. Stainless steel davits are present. On board, Diamond's chic panelling stands out and this is beautiful in combination with the recent carpeting and beige Alcantara upholstery. The saloon is very spacious and features a uniquely situated dinette to port. The galley is generous and equipped with sink, fridge, new microwave/oven, dishwasher and plenty of storage space. There are no less than 3 fine cabins on board. The master bedroom is located aft with a diagonal free-standing bed and plenty of storage space. Forward are two guest cabins (in the forward cabin a V-bed for two persons and on port side two single beds. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting
