Extremely beautifully designed Excellent 1000 Touring with a spacious layout. Outside, the sporty line of the yacht stands out in combination with classic details such as the double stainless steel sea railing in combination with the stainless steel anchor and stainless steel anchor fittings. The Excellent has comfortable gangways and is easy to moor and unmoor using the 10 stainless steel bollards in combination with the Quick electric bow and stern thruster. The cosy open cockpit has a lockable tent, a hull door to the attached swimming platform and a pleasant settee. From the open cockpit, the floor-level saloon can be reached through the four French doors. The saloon features a comfortable dinette with a spacious table, the clear steering position and plenty of storage space. The spacious windows in the saloon let in a lot of natural light. There are 2 sliding windows on both sides with window screens and a beautiful sliding roof. The interior has a modern, spacious layout with beautiful walnut wood and natural colours. The galley is located to starboard with a sink, large Dometic refrigerator and a 3-burner gas cooker with Dometic extractor system. On port side, the wet room is located with electric toilet, fine shower and sink. In the front, the owner's cabin is situated with a free-standing French bed with plenty of storage space. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
