This Fairline Squadron 70 with flybridge is a sport, fast-going GRP built motor yacht. The yacht is very complete and has a luxurious high-quality finish. Recently in 2023/2024, the yacht has undergone a professional update in which the complete upholstery both inside and outside and the tent around the aft deck have been renewed, carpet in the interior has been renewed and the various wall panels have been reupholstered, synthetic permateak has been applied around the side and aft decks, new Raymarine navigation equipment has been installed, service has been carried out on both main engines and the generator. The yacht is ready to sail and is available for takeover from September 2024.

The Fairline has four spacious cabins, three of which have en-suite bathrooms and are all built to the highest standards. The owner's cabin is located amidships with beautiful windows on both sides for a great view on water level. In the aft ship there is a comfortable 2-person (crew) cabin with private bathroom.

Luxurious and stylish interior. Spacious open cockpit with sliding door to the saloon, by opening the sliding door the interior space can be expanded even further. The open cockpit can be completely closed off by means of a tent with removable parts, so that the living space on board can be optimally used. The saloon has an L-shaped sofa with 2 lounge chairs and a 6-person dining table, Loewe TV on lift and drink bar. This Fairline Squadron 70 is equipped with walnut interior with high-gloss finish, electrically operated slats, alcantara ceilings, sun blinds around the saloon exterior windows.

The yacht is equipped with a full bimini over the flybridge, exterior lighting, 'lazy' stairs to the flybridge, large sunbed on foredeck with foldable awning, dishwasher, Samsung washing machine (2023), Samsung dryer (2023), 2 x electric capstans on the aft deck, trim tabs, flybridge covers, removable shower on the bathing platform, underwater lighting, loose bench with two chairs on the aft deck, WiFi on board (SIM card not included), TVs with chromecast, Bose audio system in saloon, rear view camera via plotter, 2-person sunbed on the flybridge.
