ELBURG YACHTING®

international yachtbrokers

Built by the renowned dutch Asto Shipyard; a pocket size professional vessel shaped like a luxe motor with a clipper bow. One notices immediately the yacht was built with functionality in mind; heavy construction, oversized installations and true craftsmanship, but by making use of light colour schemes and modern materials the yacht has a very light and modern feel, suitable for live aboard en sailing all of Europes waters: with it's spud poles, powerfull bow- and sternthrusters, airdraft of 3.25 metres and closed cooling system, all journeys imaginable are one decision away.
