This seaworthy and complete Stentor 1800 is already fitted with a new paint system (superstructure and hull). She was designed by Vripack and finished in 2002 by the high quality yacht yard Stentor. The yacht is solidly built for seaworthiness (CE-A). In recent years, the current owner has invested heavily in this yacht. Among others, the yacht is equipped with a Raymarine Autopilot system which can be operated from both steering positions, the yacht is already equipped with a new Simrad navigation screen, the yacht is already equipped with a solar panel system with Victron Cerbo control, which can be read remotely, there is a Victron Quattro inverter / battery charger installed. The yacht is suitable for long sea voyages, the hydraulic stabilisers combined with the Rondspant hull adds to the comfort at sea. and a back-up system for the hydraulics has been installed. The layout of this yacht is well thought out and is characterised in particular by the handsome, spacious aft deck that features a spacious U-shaped settee, with double tables and a solidly built aft tent of (2020). The second steering position is located in the fixed wheelhouse and can be accessed via the sliding doors in both spacious gangways. The fixed wheelhouse also serves as the Salon and is equipped with a comfortable L-shaped settee and features plenty of light through the large windows. The galley is below the aft deck and features a spacious L-shaped galley and a comfortable dinette. The master bedroom is located behind the galley and has a double freestanding bed that is positioned diagonally in the room. The master bedroom has plenty of cupboard space and an on-suite bathroom with washbasin, electric toilet and shower cabin. In front is the guest cabin with a double freestanding bed. From the corridor, the second bathroom can be reached as well as the clear engine room. For questions and/or to make an appointment, you are welcome at Elburg Yachting.
