This young Sealine is a yacht with a spacious layout and lots of natural light. The large windows in combination with the sliding roof in the saloon and the sliding roof in the cockpit provide lots of light inside and at the same time generate the feeling of sailing outside when the roof is open. The kitchen is located at the back of the salon and through the large hinged window the cockpit is pulled together with the rest of the ship and the kitchen functions as a cozy center. The ship has always been in good hands and is sold by her first owner. This Sealine C430 comes with: spacious seating in cockpit with fully closable cockpit tent, spacious sun deck + seating on foredeck, open kitchen, sliding roof above cockpit so that it can also be easily closed in bad weather, mid cabin over the entire width of the ship, luxury sailing chair, double fuel filters, fire extinguishing system in engine room, large swimming platform, stainless steel railing all around, sunscreens all around. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
