Spiegelkotter designed by Vripack, built by the renowned shipyard Het Oude Maasje in Waspik. This Vripack Spiegelkotter 13.50 is built with a beautiful heavy and solid hull with many visible details such as the fixed shelter around the aft deck, closed/double bulwark around the sidedecks, double stainless steel railing, approx. 10 bollards around the deck and the foldable bracket above the steering position. Due to the abundance of light in the saloon, this area feels very spacious. The woodwork is of high quality and with a solid and round finish in the framework. The ship offers a lot of luxury and comfort on board such as central heating, double glazing, dry & washing machine Haier I-pro serie 7 (2024), generator, large covered aft deck. Furthermore this Vripack Spiegelkotter 13.50 is equipped with: Removable stainless steel side ladder, electrically foldable bracket over steering position, full tent over steering position and bimitop over aft deck, Raymarine rudder indicator, door to engine room for easy access, mosquito screens for portholes with rain covers, large window in transom, storage space under saloon bench, water connection on deck, shower and toilet separated in the aft ship. Antifouling and anodes renewed in 2024.
For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
