The Beneteau 41 Gran Turismo is a sporty all-rounder for both inland waters and the open sea, thanks to its combination of practical space and excellent sailing characteristics. It is powered by two 380 hp Volvo Penta D6 engines with docking joystick. The Volvo docking system significantly improves the control and maneuverability of the boat and makes mooring and docking child's play. With a joystick at the helm, every conceivable maneuver can be performed. A supporting electric bow thruster from Sleipner is also present. In the cockpit, there is a large U-shaped bench seat that is open to the helm. The cockpit has an extra refrigerator and sink. The aft deck has a large sunbed with a sliding headrest for extra length. Under the sunbed is an extra-large storage space. This Beneteau 41 Gran Turismo is equipped with: Full tent around the aft deck, adjustable cockpit table, transom door to swimming platform, helm seat with extra passenger seat on starboard side, refrigerator in cockpit, storage lockers, Volvo Penta computer for reading engine information and current fuel consumption. Volvo trim tabs, 2 x sliding windows at the helm, large electrically operated sliding roof above the helm, Fusion audio system speakers in saloon and cockpit, spacious wardrobe with lighting in forward cabin, bed in second cabin amidships, removable cushions on foredeck, various 220V and USB plug connections available, removable sunshades around the helm position (3 pieces).
For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
