ELBURG YACHTING[®]

international yachtbrokers

Offered by her Dutch owner: this Beneteau Antares 13.80 has been extensively updated and technically maintained over the past years. Continuous investments have been made in maintenance, comfort and ease of operation. In 2025, all teak on the side decks, cockpit and swimming platform was replaced with EVO Decking synthetic teak. In the same year, the underwater hull was completely stripped and rebuilt using a Hempel paint system. Also in 2025, the Volvo Penta trim tabs, shaft seals and toilet hoses were renewed. During 2025/2026, all batteries were replaced, consisting of 8x Optima Yellowtop batteries and 2 lithium service batteries. In addition, a Raymarine AIS700 was installed in 2026 and the yacht was fully polished and waxed. Various upgrades were also carried out in previous years. In 2023, a Mastervolt 2000W inverter was installed, the fuel pumps were overhauled and new injectors were fitted. In 2021, a new cockpit enclosure and a new flybridge cover were installed. In 2020, the interior upholstery, mattresses with slatted bases and toppers were renewed, together with the bimini, sunshades for the windows and the bow thruster. In 2019, a FirePro automatic fire extinguishing system was installed in the engine room, and in 2018 the battery charger was replaced. The yacht is equipped with various features for comfortable onboard living and easy manoeuvring, including bow and stern thrusters with Hydronautica remote control, a Mastervolt Whisper generator, autopilot, VHF radio, wind meter and camera system. Furthermore, the yacht features electric toilets, grey- and blackwater holding tanks, a tender lift with a capacity of 400 kg and a new 6-person liferaft.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
