The Sturier 520 OC is a rugged, seagoing motor yacht with a comfortably appointed interior featuring high-quality materials and state-of-the-art technology, built by the Volharding Shipyard in Stavoren. This Sturier 520 OC features a three-cabin layout with a spacious two-person owner's cabin in the bow and two comfortable two-person guest cabins amidships. The vessel is equipped with two private bathrooms, each with a toilet and an enclosed shower stall. The wheelhouse and aft deck are connected on the same level. The galley and salon are located below deck and offer plenty of comfort for all onboard. Propulsion is provided by two Vetus Deutz engines, each with 210pk, ensuring smooth, quiet, yet powerful maneuverability. The bow and stern thrusters are hydraulically driven and can be controlled proportionally. The Hydronautica remote control combines the propulsion of both main engines with the bow and stern thrusters to facilitate docking and undocking. This yacht is equipped with hydraulic Naiad fin stabilizers, which make for a more comfortable ride even in rough weather. This Sturier 520 OC is richly equipped and features, among other things: Integrated storage lockers with matching cushion set and cover, a large electrically retractable sun awning that extends across the entire cockpit, a TV on a lift in the wheelhouse plus TVs in the salon and owner's cabin, a Mastervolt EasyView 5 display, a Wi-Fi router (SIM card not included), a height-adjustable electric table in the salon, insect screens for portholes and deck hatches, a bed in the forward cabin equipped with electrically adjustable slatted bases and Neptune mattresses, a Bosch washer/dryer combo, Corian countertops, a lockable cockpit with a transom door and two doors in the bulwark for easy boarding and disembarking, a large roof hatch above the helm, Fusion audio system, 3 openable windows in the wheelhouse, fixed bulwark all around with stainless steel gunwale, large electrically operated cockpit hatch for storage and access to the engine room. Headroom approx. 3.45 m with the mast hydraulically lowered. The vessel has been stored annually in an insulated winter storage facility, in conjunction with regular maintenance of the vessel and its systems.

For questions and/or to schedule an appointment, you are welcome to visit Elburg Yachting 7 days a week.
