This Alm 13.20 AD is a quality built vessel which can be sailed in comfort all year round. The saloon, steering position, galley and cockpit are all on the same level allowing all crew to sit together. On sunny days it is possible to steer on the flybridge. This flybridge is accessible via an internal lazy staircase. The flybridge can be divided as desired to make the best use of the space. In less clement weather, you can sit comfortably in the back of the cockpit, partly because the entire cockpit can be closed off with a tent which was installed in 2024. Furthermore, the ship comes with: recently painted hull and superstructure in 2023 by Bonsink Jachtservice, stove service 2024, largely new navigation equipment 2023, stainless steel double railing, double stainless steel bollards, large lazarette under aft deck with lots of storage space, free passage to swim platform, 3 x deck wash pump, luxury cushion set in cockpit, cruising bench on flybridge, 2 x side exit in gangway, manual gangway, space entrance to engine room, professionally equipped engine room, hydrophore 2023, Hydronautica 2025, electronic gas levers 2025, bimini 2025, new service batteries 2025, double fuel filter on both engines, Raymarine camera system (2023) with cameras in gunwales and aft, good visibility from helm and flybridge, magnetic fuel cleaning, no stern thruster operation on flybridge. For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
