ELBURG YACHTING®

international yachtbrokers

The North Line 42 Wheelhouse is designed with long-distance cruising and seaworthiness in mind. Built as an ocean explorer, the yacht combines functionality, robust construction, and high-quality materials. Its well-thought-out design, attention to detail, and timeless appearance make it suitable for a wide range of cruising conditions.

On inland waterways, the North Line 42 offers a comfortable and stable ride. It is equally at home on open water, where the hull and construction are designed to perform reliably in varying sea conditions.

The interior features a classic and inviting design, with extensive use of teak wood and light beige upholstery. The saloon provides a comfortable living area, with the galley conveniently positioned next to the dinette for a practical layout.

Powered by twin Cummins QSB 6.7 diesel engines, the North Line 42 delivers reliable performance and good manoeuvrability, both in marinas and during extended passages.

Overall, the North Line 42 Wheelhouse is well suited for both relaxed cruising on inland waterways and longer offshore voyages, offering a balanced combination of comfort, functionality, and a classically finished interior.

This North Line 42 comes equipped with, amongst other things: a hydraulic mast, a washing machine, a hydraulically lowerable co-pilot's seat and trim tabs.

You are welcome to contact Elburg Yachting seven days a week with any questions or to schedule an appointment.
