ELBURG YACHTING®

international yachtbrokers

A modern and very comfortably built steel motor yacht featuring high-quality materials and utilizing quality engineering, built by Steeler Yachts. This Steeler 50S Long Range 'Anne' has a spacious three-cabin layout with a generous owner's cabin midships and two comfortable 2-person guest cabins in the bow. The saloon and aft deck are connected on one level for an optimal sense of space. The galley, helm station, 4-person dining table, and saloon sofa are integrated into a single space, allowing for plenty of interaction. There are two bathrooms on board, with the owner's cabin bathroom en suite. Propulsion is provided by two well-maintained Vetus Deutz engines, each with 170 hp, ensuring smooth yet powerful maneuverability. This yacht is equipped with a DMS MagnusMaster stability system, making sailing more pleasant on larger waters or in poorer weather conditions. This Steeler 50S Long Range is very richly equipped and features, among other things: a full tent around the aft deck which can also be zipped out in sections, an integrated cockpit bench with matching cushions, four-part opening saloon doors with fly screens, a TV on a lift in the saloon, a dishwasher, a Siemens washer/dryer combination, a luxurious and adjustable helm chair with built-in follow-up steering, a camera system on the plotter screen, LED lighting, access to the engine room accessible from both the outside and the inside, a professionally fitted engine room with standing headroom, tanks with manholes, a folding radar mast providing a minimum clearance height of approx. 3.49m, spacious storage in the aft section, and a Baudoin washing system. For questions and/or making an appointment you are welcome 7 days a week at Elburg Yachting.
