This Beneteau Gran Turismo 44 offers an excellent combination of sportiness, comfort and luxury. The yacht features a spacious cockpit with comfortable seating, an electrically operated sliding roof above the helm station and two sliding side windows at the helm, creating a seamless connection between the interior and exterior living spaces. The generous saloon, fully equipped galley and two comfortable cabins make extended stays on board particularly enjoyable. Powered by Volvo Penta engines and equipped with joystick control, this Gran Turismo 44 delivers outstanding performance and effortless manoeuvrability. The Volvo Penta onboard computer provides valuable engine data, including real-time fuel consumption information. For enhanced cruising comfort, the yacht is fitted with Volvo Trim Tabs. Additional features include an audio system with speakers in both the saloon and cockpit. The yacht has benefited from extensive recent maintenance. The cockpit canopy was recently renewed, the underwater hull was sanded and treated with new antifouling in March 2026, the engines received a full service in March/April 2026, the anodes were replaced, and the air-conditioning pump was renewed in May 2026. If you are looking for a stylish sports cruiser with excellent handling characteristics and a high level of onboard comfort, this Beneteau Gran Turismo 44 is certainly worth a viewing. The Beneteau Gran Turismo 44 can be viewed by appointment in Zeeland, the Netherlands. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
