This beautifully styled Super Lauwersmeer Discovery 47 AC is offered for sale by her first owner. She is a unique and elegantly designed motor yacht, created by AR Design and built by the renowned Frisian Motor Boats shipyard in Noordburgum, the Netherlands, in 2019.

The Discovery 47 AC was introduced to celebrate the 50th anniversary of the Frisian shipyard. This luxurious steel motor yacht combines the classic aft-cabin concept with a contemporary exterior and an exceptionally spacious interior.

The yacht features a well-thought-out and practical layout. The full-beam owner's cabin, located in the aft section, is fitted with a generous double berth, while the forward guest cabin also offers a comfortable double bed. The saloon benefits from an impressive headroom of approximately 2.05 metres and large panoramic windows, creating a bright and airy living space with plenty of natural light.

The spacious galley is fully equipped, and the yacht offers two electric toilets as well as a separate shower compartment, ensuring a high level of comfort on board.

Designed for extended cruising and long boating seasons, the yacht is well insulated and fitted with double-glazed windows throughout. A Post central heating system with underfloor heating and also a washing machine provides excellent comfort in all weather conditions.

The yacht is available for viewing by appointment at our sales marina. Should you have any questions or wish to arrange a viewing, you are most welcome to contact Elburg Yachting seven days a week.
