ELBURG YACHTING®

international yachtbrokers

The Colvic 44 Sunquest is a very practical and spacious vessel for its length. It is no coincidence that the ship has been used for permanent habitation on board in recent years. Various upgrades have been implemented on board to bring the technology up to date and ensure comfortable living. For instance, the vessel features radiator central heating (Kabola CV), a washer-dryer combination, a dishwasher, a Kabola smart WiFi thermostat, a smart TV in the saloon and forward cabin, and a new Victron Quattro 300W inverter with a Victron Cerbo display. Propulsion is provided by two powerful Caterpillar diesel engines with propeller shafts ensuring robust propulsion. Furthermore, this Colvic 44 Sunquest is equipped with: stainless steel Fender holders in foredeck railing, 2-person pilot seat, lockable door to swim platform, full tent around open cockpit, large hatch in cockpit floor for storage and access to technical equipment and passage to engine room, cushions on the sunbed on the foredeck, folding bimini over the flybridge, covers for flybridge sections.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
