This beautiful 2007 - Super van Craft 15.90 is a stunning, classic yacht on the water. The yacht features a comfortable two-cabin layout (accommodating four people). The wheelhouse includes an integrated dinette, positioned to allow guests to enjoy the view while underway. The dashboard is well-organized and equipped with Simrad navigation instruments. Hydraulic Naiad stabilizers ensure a superior level of comfort while cruising. Both the bow and stern thrusters are hydraulically powered and can also be operated from the deck using a Hydronautica remote control. The hull and superstructure are insulated, the wheelhouse and saloon are fitted with double glazing, and a Kabola HR400 central heating system is installed throughout the vessel, making it comfortable to use even outside the main boating season. This Super van Craft 15.90 is equipped with: a removable cushion set for the aft deck, a stainless steel side boarding ladder, a semi-circular integrated staircase leading to the swim platform, a large sliding roof (with insect screen) over the saloon and wheelhouse, partially covered and illuminated side decks around the wheelhouse, stainless steel fender holders on the foredeck, a Miele washing machine in the aft cabin bathroom, a Siemens dishwasher, a TV on a lift mechanism in the saloon, storage space built into the galley floor, dual fuel filters, and access manholes for the fuel and water tanks.
For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
