ELBURG YACHTING®

international yachtbrokers

The Breedendam MTB FourZero exudes pure class, featuring beautiful classic elements and lines. The yacht combines comfort with sporty handling, thanks to its aluminum hull and smooth Volvo Penta IPS600 powertrain. Docking and maneuvering are effortless, thanks to the Volvo Penta IPS joystick control. The open cockpit and wheelhouse can be easily opened and connected to each other, offering great interaction. Inside the wheelhouse, a spacious U-shaped bench is positioned at the same level as the helm, allowing guests to sit alongside the captain. An open way leads down to the dinette and galley; the dinette table can be lowered to create an additional sleeping berth. Electronic equipment is housed in a separate technical compartment, which also offers extra storage space. The toilet and shower are located in a dedicated area, centrally accessible within the vessel. The forward cabin features a double French bed. Equipment and options include: cockpit seating with removable cushions, Webasto electric sliding roof over the helm position, wine cooler in the wheelhouse, TVs in the wheelhouse / dinette / forward cabin, adjustable luxury helm seat, Miele dishwasher, Bose audio system, Yachtcontrol ship management display, independently adjustable heating and cooling for each area via the air conditioning system, engine room access via the open cockpit, removable foredeck sunbed, electric folding radar mast, insect screens for portholes, electric pleated blinds, integrated bow lights, cockpit fender storage for 4 fenders, electric extending beaching legs, deck wash pump, two solar panels, central vacuum system, and an electric drop-down window in the aft of the wheelhouse. Large sections of painting system feature wood graining meaning it is not actual wood, but has been painted using a special technique which looks like real wood.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
