This robust Rego Fury 1200 with open cockpit was built in 2010 and comes from her first owner. The matt black steel hull combined with the white superstructure gives the yacht a distinctive and rugged appearance. The spacious open cockpit features teak decking and an integrated swimming platform with a custom-made davit system. Through the double opening doors, you enter the bright saloon on the same level, offering excellent all-round visibility, a comfortable dinette and a warm nautical interior with teak flooring. Below deck, you will find a fully equipped galley, the owner's cabin with a large double bed and a separate bathroom with an electric toilet and shower. The yacht is powered by a 260 hp Yanmar diesel engine and equipped with an electric bow thruster, MagnusMaster stabilisers and an extensive Simrad navigation system including Class A AIS. Thanks to the Kabola central heating system, double glazing, Fischer Panda generator (2017) and Victron Quattro inverter/charger, the yacht is also well suited for extended stays on board. The folding aluminium mast reduces the air draught to approximately 2.65 metres. The latest engine maintenance was carried out in 2026. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
