ELBURG YACHTING®

The Rapsody 40 Offshore is a spacious and versatile motor yacht that is ideal for both leisurely day trips and longer boating vacations. The yacht is characterized by its elegant lines, generous outdoor space, and comfortably furnished interior.

It offers many possibilities in a variety of cruising areas, from inland waterways to open waters. The headroom in the salon is approximately 1.95 meters. The dinette can be arranged flexibly; lowering the table creates two additional sleeping berths. The owner's cabin features a spacious double bed.

The galley is equipped with a two-burner stove, an oven, and a spacious refrigerator. Thanks to the Webasto hot-air heating system, it remains pleasantly warm on board even on cooler days.

The combination of a spacious salon, multiple sleeping arrangements, and a fully equipped galley makes the yacht suitable for a comfortable stay lasting several days.

The yacht is powered by two Yanmar 6-cylinder diesel engines, each producing 315 pk, which together provide the power for a top speed of approximately 26 knots.

The Rapsody 40 Offshore is equipped with an electric bow thruster, two Simrad GPS chartplotters, a Simrad WF80 autopilot, and a marine radio.

If you have any questions or would like to schedule an appointment, you are welcome to visit Elburg Yachting 7 days a week.
