This Nimbus 405 Flybridge comes from a Dutch owner and is presented in a neat and well-kept condition. The latest major engine service was carried out in April 2026 at approximately 585 engine hours. A stylish and well-thought-out Swedish quality motor yacht, designed with a strong focus on space, finish and functionality. From the spacious cockpit, the saloon is accessed on one level through the large sliding door, creating a seamless connection between the indoor and outdoor living areas. Below deck, the yacht offers three cabins with a total of six berths. The generous flybridge provides plenty of seating and living space and features a complete second helm position. In addition, there is a spacious sun deck on the foredeck. The twin Volvo Penta D4-300 engines with shaft drives provide comfortable cruising performance and a maximum speed of approximately 28 knots. Bow and stern thrusters, combined with the Yacht Controller, make manoeuvring easy. This very complete Nimbus is furthermore equipped with Humphree Active Ride, a Fusion audio system, TV with lift, fixed stairs to the flybridge, fixed helm seats, bimini top and cockpit cover, among many other features. A complete and comfortable motor yacht, ideally suited for longer journeys on both inland and open waters. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week. Voor vragen en/of het maken van een afspraak bent u 7 dagen per week van harte welkom bij Elburg Yachting.
