## international yachtbrokers

black hull and luxurious brown upholstery give her a stylish and robust appearance.

This particular example is equipped with a powerful 110 hp Yanmar diesel engine, allowing her to reach a speed of approximately 40 km/h. This makes her ideal for relaxed cruising, while also offering plenty of opportunity to enjoy her sporty performance. The Zipwake Dynamic Trim System contributes to comfortable and stable handling, while the electric bow thruster provides additional convenience when manoeuvring in the marina.

Enjoyment is also at the heart of life on board. The spacious seating areas in both the bow and stern provide plenty of room to spend a long day on the water together. The luxurious quilted brown upholstery combines beautifully with the Flexiteek decking, creating a warm and high-quality appearance. With the Jensen sound system, the right music is always on hand, whether enjoying a relaxing cruise or a pleasant afternoon at anchor. The helm position is comfortably equipped with a luxury adjustable and foldable helm seat and the eye-catching carbon steering wheel. The beige sprayhood with removable front window provides protection whenever required and complements the interior colour scheme beautifully.

A beautifully presented Waterspoor 717 Aviator for those who want to enjoy comfort on the water while still having the option of sporty cruising.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
