Standout features of this Stalland 1400 Open Cockpit include its rugged and robust hull, flared bow, and a flush-deck layout that seamlessly connects the wheelhouse, open cockpit and swim platform. The cockpit features an additional helm station equipped with throttle control, bow thruster and autopilot-linked steering. A full cockpit tent around open cockpit with large zip-out windows. Central heating via radiators is installed throughout the vessel, ensuring comfort for extended stays on board. A few steps lead down to the galley and an additional dinette; the table can be lowered to create an extra sleeping berth. Headroom exceeding two meters creates a spacious feel throughout the interior. The vessel offers two double cabins, with the owner's cabin located in the bow. The shower and toilet are centrally accessible and housed in separate compartments. The guest cabin is situated amidships and features a double bed. The cockpit enclosure covers the entire aft deck, providing additional insulation and living space. Wide side decks allow for easy movement when docking or stepping from board. The spacious engine room ensures easy access to mechanical systems for inspection and maintenance. The minimum air draft with the mast lowered is approximately 3.05 meters. This Stalland 1400 Open Cockpit features: a fully enclosable cockpit canopy with zip-out sections (2026), two railing openings with a gate and a folding section, two deck wash connections, pleated blinds for the saloon windows, insect screens for portholes and deck hatches, spacious aft storage accessible from the open cockpit, tank inspection hatches, and two solar panels, TV in the saloon on a swivel mount. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
