This Genesis 50 HT is a special appearance on the water. Due to her beautifully drawn profile, the yacht is very nicely in proportion. The ship has a fixed stainless steel door, making it easy to close the saloon. In addition, this offers the possibility to combine the saloon and the aft deck as one large whole. This ship is also supplied with: renewed Raymarine navigation equipment (2023), lighting on board changed to LED (2024), saloon sofa which can be converted into a double bed, Hydronautica remote control (2024), engine service (2025), new cushion set with Bentley stitching in cockpit and on sun deck (2024), Miele refrigerator with freezer compartment (2024), Bose sound system, underwater lighting, free passage to bathing platform, 2 x bathing ladder, hydraulic engine room hatch, Bennet trim tabs, laminate flooring, large sliding roof in saloon, large curved windshield which provides plenty of light, awning to sit out of the sun in the cockpit. This Genesis 50 HT entered the European waters in 2014 as a demo yacht with zero engine hours, subsequently the yacht came into private ownership.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
