ELBURG YACHTING[®]

international yachtbrokers

This 2001 Linssen Grand Sturdy 410 AC is a solid and comfortable motor yacht built by the renowned Dutch shipyard Linssen Yachts. With her classic lines, spacious layout and generous aft deck, she is ideally suited for extended cruising and comfortable stays on board. She is powered by a 145 hp Volvo Penta TAMD 41 H diesel engine, which underwent major servicing in 2025. Thanks to the electric bow and stern thrusters and dual helm stations, the yacht is easy to manoeuvre. In 2025, the navigation equipment was partially upgraded, including the installation of an AIS 700. Inside, you will find a warm and spacious interior featuring a saloon, dinette, fully equipped galley with refrigerator and freezer compartment, two cabins, two electric toilets and a separate shower. Radiator heating, air conditioning and a 7 kW Onan generator provide additional comfort on board.

Considerable attention has also been given to the exterior in recent years. In 2023, the underwater hull was completely blasted, and in 2025, a brand-new, fully enclosed Linssen cockpit canopy with removable zip-out panels was installed. In 2026, the antifouling and anodes were renewed, and the teak decking was cleaned. The yacht is also equipped with a deck wash system and a shower on the bathing platform.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
