ELBURG YACHTING®

international yachtbrokers

The Fairline Targa 43 offers a great combination of practical space for its length and boasts excellent handling characteristics, making it a truly sporty all-rounder. It is powered by twin 430 hp Volvo Penta engines with fixed propeller shafts. A tender garage is located in the transom. The open cockpit features a spacious layout with ample seating and a large sunbed. Amenities in the cockpit include a sink, an integrated cool box, and a hot-air heating outlet, allowing you to enjoy the deck longer into the evening. Below deck, there are two double cabins, with the owner's cabin—featuring a French bed—situated in the bow. There are two heads compartments, each equipped with an electric toilet and shower. This Fairline Targa 43 is fitted with: a full cockpit enclosure with zip-out sections, a removable sunshade for the windscreen, a cover for the foredeck sunbed, separate access to the electrical components in the aft deck, removable cockpit carpeting (revealing a synthetic teak deck underneath), fender covers with the Fairline logo, an Alpine audio system in the cockpit, TVs in the forward cabin and cockpit, insect screens for the portholes, a rudder angle indicator, under-floor storage in the cabin, and wooden blinds. The Hydronautica remote control makes docking and undocking effortless, offering direct control of the bow and stern thrusters as well as forward and reverse engine operation. The following upgrades were carried out during the 2025–2026 period: cockpit canopy applied, 2 toilets renewed, cockpit carpeting, starter/stern thruster/service batteries renewed, Victron MultiPlus inverter/battery charger installed, fenders with covers, and Hydronautica remote control.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
