This beautiful Linssen Grand Sturdy 380 Sedan, Catharina, is a timeless motor yacht built by the renowned Dutch shipyard Linssen Yachts in Maasbracht, the Netherlands. This model embodies Dutch craftsmanship, comfortable cruising and the pleasure of relaxing and enjoying life on the water. The Catharina features the popular Sedan layout, with the saloon and aft deck on the same level, providing seamless access between the two areas. The open aft deck features a semi-circular seating area with a fixed table and can be enclosed with the recently renewed aft canopy. Thanks to the large windows, the saloon benefits from plenty of natural light. It offers a comfortable seating area, a practical galley and a well-arranged helm station. Forward, the yacht features the owner's cabin with a freestanding double bed. The guest cabin, fitted with bunk beds, is located to starboard, while the bathroom, equipped with an electric toilet and shower, is situated to port. This Linssen is powered by two 75 hp Volvo Penta D2 diesel engines, providing excellent cruising characteristics and easy manoeuvrability. She is also equipped with electric bow and stern thrusters for effortless handling. For further information and/or to arrange a viewing, you are warmly invited to visit Elburg Yachting, seven days a week.
