## international yachtbrokers

A beautiful classic Pieter Beeldsnijder Type 1600 yacht, offered for sale in well-maintained condition. In 2023, the yacht underwent an extensive refurbishment, during which the entire paint system was renewed, the teak deck was inspected and attended to, the navigation equipment was upgraded, and the interior was updated. The yacht features elegant lines and was built with a strong emphasis on durability and quality. Her round-bilge hull is fitted with bilge keels, while wide side decks all around ensure safe and comfortable passage on deck. A stabilising mast, complete with a steadying sail, provides additional stability when cruising offshore. Power is supplied by a 220 hp John Deere Type 6068 engine, coupled to a Twin Disc marine gearbox featuring a trolling function for precise, low-speed manoeuvring. The yacht is also equipped with a Python Drive constant-velocity shaft coupling, ensuring exceptionally smooth and quiet running. The interior has been beautifully modernised wherever necessary. The original teak joinery remains in excellent condition and is elegantly finished with solid timber trim. The upholstery and curtains have been renewed in a high-quality, light-coloured fabric, creating a fresh and inviting atmosphere. The yacht offers two comfortable cabins: a spacious owner's cabin with an en-suite bathroom and a freestanding double bed, and a guest cabin with a V-shaped double berth and a separate bathroom nearby. The galley is spacious, with a comfortable dinette opposite. The warm and inviting saloon benefits from plenty of natural light through its large windows. The yacht is currently still at her present location and is expected to arrive in Elburg shortly. For further information and/or to arrange a viewing, you are most welcome to contact Elburg Yachting seven days a week.
