Beautifully lined Van der Heijden 14.50 Cruiser, the largest model in the Cruiser range by Van der Heijden Shipyards. This stylish steel motor yacht was built in 2024 and launched in March 2025. Her elegant lines, beautiful hull colour and luxurious finish give the yacht a stunning appearance. On board, a very spacious open cockpit with a large outdoor galley, comfortable seating areas and two adjustable tables that can be converted into a generous sunbed. Flexiteek decking throughout, including the integrated swimming platform, accessible via two steps from the cockpit. Thanks to the folding windows, large fully enclosed cockpit canopy with removable panels and additional sunshade, comfortable cruising is possible in almost all weather conditions. Below deck, a modern interior with a cosy dinette, two cabins and a luxurious bathroom. The yacht is very well equipped with, among others: Vetus Deutz 170 hp diesel engine (approx. 200 running hours), Python Drive, electric bow and stern thrusters with Hydronautica remote control, Vetus 6 kVA generator, Victron Quattro, Webasto heating, Garmin navigation equipment, tumble dryer, engine room fire extinguishing system, sound system and many more options. A beautiful Cruiser offering an exceptional amount of living space and an appearance that immediately catches the eye. Viewing possible on location, strictly by appointment. For questions and/or to schedule an appointment, you are welcome 7 days a week at Elburg Yachting.
