This luxurious Linssen Grand Sturdy 460 AC Twin is a motor yacht built by the renowned Linssen Yachts shipyard in Maasbracht in 1999. It is a motor yacht designed with extended stays on board in mind. For example, it is fitted with two helm stations, allowing it to be steered from both inside and outside. In recent years, the yacht has undergone various upgrades. For instance, the entire electronic system was checked and updated in 2024, and the hull has been painted in a beautiful dark green colour. The Linssen Grand Sturdy 460 is a motor yacht that combines a robust yet highly elegant appearance. She features two spacious cabins on board. The owner's cabin has a double bed at the rear and a V-shaped double bed at the front. There are two wet rooms with shower and toilet on board, and the yacht is heated via the Kabola central heating system in combination with the built-in radiators. Unlike the standard version, this is the 'twin' version, meaning it is fitted with twin engines. The two 145 pk Volvo Penta TAMD 41HA diesel engines, combined with the bow and stern thrusters, make the yacht very manoeuvrable and give her excellent handling, even on larger bodies of water (CE Class A). If you have any questions or would like to make an appointment, you are welcome to visit Elburg Yachting 7 days a week.
