This Kokkruiser 14.74 Open Cockpit, built in 2011 by the Jan Kok shipyard in Leimuiden, is an exceptionally robustly constructed motor yacht with elegant, classic lines. Its round-bilge hull, flared bow, heavy-duty steel construction, and low superstructure ensure excellent handling characteristics. With a draft of just 1.20 meters and a minimum air draft of approximately 2.45 meters, the yacht offers ample opportunity to explore Europe's inland waterways. The two 165 hp Perkins diesel engines are housed in an exceptionally well-insulated engine room, making the vessel remarkably quiet while underway. The cockpit is equipped with a cockpit cover and there are sunshades for the windows. The bright and spacious deck saloon features an inviting interior finished in teak; thanks to a sliding roof and openable windows, it offers a seamless connection to the outdoors. The galley is fully equipped, featuring Miele appliances and a Corian countertop. Below deck, there are two cabins with four berths, as well as a bathroom that includes a washing machine. The generous aft deck, Kabola central heating system, and comprehensive technical equipment make this Kokkruiser ideally suited for comfortable cruising and extended stays on board.
NO VISITS ON SUNDAY ON THIS YACHT. For questions and/or making an appointment, you are welcome 7 days a week at Elburg Yachting.
