A magnificent Van der Heijden 1500 Elegance – the ‘Avanti’. She was built by the renowned Van der Heijden shipyard in 2000 and has been well maintained in recent years.
This Van der Heijden 1500 Elegance is very spacious. The Avanti features three cabins and a lovely saloon with an adjoining galley and dinette. The aft deck is very spacious and can be fully enclosed by the recently fitted aft awning. The radar arch is fold-down and the convertible roof is easy to open in fine weather.
Last year, the entire paintwork was refurbished. The hull, superstructure and interior have all been treated with a new paint system. In addition, over the past year, a new battery bank with a solar panel system (4 x 150 W + Victron Cerbo), a new chart plotter, new cream-coloured upholstery, a marine radio, an aft awning and a washing machine/dryer have been fitted to the yacht to ensure a comfortable stay.
The Van der Heijden 1500 Elegance is currently on display and can be viewed by appointment.
For enquiries and/or to make an appointment, you are most welcome to visit Elburg Yachting 7 days a week.
