ELBURG YACHTING®

international yachtbrokers

This American Sea Ray 455 Sedan Bridge features sleek, sporty lines and offers plenty of space and comfort on board. Powered by two Cummins diesel engines of 450 hp each, with approximately 670 engine hours, the yacht reaches speeds of over 55 km/h. From the spacious cockpit, a large sliding door provides direct, step-free access to the saloon. The cherry wood interior creates a warm atmosphere, while the practical layout offers ample storage space. The yacht also features two comfortable cabins and two bathrooms, each with its own shower. A major advantage is the dual helm position, both inside and on the flybridge, a feature not found on all Sedan Bridge models. The flybridge also features a lowering table with a mattress, allowing it to be converted into a spacious sunbed. Numerous upgrades have been carried out on board in recent years. In 2026, the black water pump with odour filter, air conditioning pump, two batteries and television were replaced. The yacht was also fully polished and treated with a ceramic coating. In 2025, upgrades included a new cockpit refrigerator, cooktop, helm cover and side curtains with windows. The antifouling was renewed in early 2024. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
